Vision T600 Treadmill

VISION T600 TREADMILL

The Vision T600 Treadmill is designed for serious runners seeking performance and comfort. It boasts a powerful 3.0 HP DC motor that supports speeds up to 19.5 km/h and inclines up to 15%. The generously sized running deck with Variable Response Cushioning reduces impact, while the vibrant touchscreen console offers a variety of workout programs and entertainment options. Sturdy construction ensures stability, and features like heart rate monitoring and built-in speakers enhance the overall fitness experience, making it ideal for home use.
