

The Simply Purple No Pressure Seat Cushion

About the product

- Fantastic cushioning for car, home, or office
- Average profile for average height sitters
- Sleek black cover with convenient carrying handle
- Hyperelastic polymer fill breathes, so it stays cool while in use
- Durable polymer consistency immediately returns to its original shape, with no permanent depressions

The Simply Purple™ Seat Cushion is a great comfort option for your car, your office chair or anyplace else that comfort is needed.

Includes a washable cover with a handle
